

TECHNICAL DATA SHEET

FL0018 CONCRETE CLEANER

DESCRIPTION: **CONCRETE CLEANER** is an all-purpose cleaner designed for removing grease and oil from concrete floors. **CONCRETE CLEANER** can be mopped on or used with a floor machine. Excellent for cleaning grease, oil and heavy dirt in manufacturing plants, warehouses, parking structures and other facilities with similar maintenance problems.

DIRECTIONS FOR USE: **Application:** For greasy floors, dilute 8 oz. per gallon in water. Apply to affected areas and allow to dwell for approximately 3 minutes. Agitate with a mop or use a floor machine with scrub brush and rinse with clear water.

SPECIFICATIONS:

Color	Clear Green
Fragrance	Mild
pH	13 – 14
Specific Gravity	1.065 – 1.085
Type of Surfactants	Non-ionic
Phosphates	2%
Grease Cutting Ability	Excellent
Shelf Life	2 Years
Soil Penetration	Excellent
Volatile Organic Compound (VOC)	<1 g/L Carb VOC

STORAGE and HANDLING: Keep out of reach of children. Store in a cool, dry place. Avoid eye contact. Refer to the SDS for additional precautions or first aid measures. For institutional and commercial use only.
