

TECHNICAL DATA SHEET

FL0272 KLEAN POWER Non-Caustic Floor Cleaner

DESCRIPTION: This yellow tinted, free-flowing, powdered detergent is designed as a general purpose cleaner for use in food processing plants such as dairies, bottlers, canners, and meat packers. **KLEAN POWER** can be used in restaurants, cafeterias, warehouses, service stations, and garages.

USES: Concrete floors, walls, cookers, smoke houses, meat hooks and meat trees, kitchen hoods, floor slats, resilient floor covering, and painted walls. **OTHER USES:** **KLEAN POWER** will clean all parts of the station. **KLEAN POWER** can be used to clean gas pumps, lube room equipment, walls and woodwork, or the removal of oil, grease or dirt from any painted or unpainted surface. **KLEAN POWER** is excellent for steam cleaners or pressure washers in the cleaning of motors or equipment.

DIRECTIONS FOR USE: METHOD OF MIX AND APPLICATION: GENERAL CLEAN UP: Food plants and restaurants - Mix 4 oz. to 1 gallon of warm water. The solution may be applied by brush, sponge, mop, or cloth. Allow **KLEAN POWER** to stand for a short period and rinse off. **LIGHT BUILD-UP:** Mix 2 oz. to 1 gallon of warm water. Apply, let stand for short time, then rinse off.
