

TECHNICAL DATA SHEET

FL11270 FOAMING HAND SOAP

DESCRIPTION: **FOAMING HAND SOAP**, containing a popular fragrance, is excellent for use in foaming hand soap dispensers. Customers will have the convenience of having their soap pre-lathered before washing. The soap is gentle on the skin and helps support compliance of good hand-washing practices.

BENEFITS and FEATURES:

- Gentle, non-irritating on the skin
- Pre-lathered
- Freshens and softens hands
- Economical to use
- Pleasant clean scent

USES: **FOAMING HAND SOAP** can be useful in office buildings, factories, schools, food handling facilities, and commercial establishments. It can also be used in hospitals, institutions, nursing homes and other medical facilities.

DIRECTIONS FOR USE: Pour **FOAMING HAND SOAP** into a foaming soap dispenser. Wet hands and dispense **FOAMING HAND SOAP**. Rub hands together to spread lather. Wash hands for 15 seconds, then rinse and dry hands thoroughly.
