

TECHNICAL DATA SHEET

FL374 NEUTRALIZER RINSE

DESCRIPTION: **NEUTRALIZER RINSE** is a carpet rinse and neutralizer that softens, conditions, and brightens carpet following extraction, bonnet cleaning or shampooing. Excellent for removing alkaline stripper residue from floors before re-coating and rinsing floor pads and mop heads to neutralize excess alkalinity.

BENEFITS and FEATURES:

- Prevents browning or yellowing of carpets
- Removes detergent residue
- Contains new generation anti-corrosion agents
- Works on browning and tannin stains

DIRECTIONS FOR USE:

Mix 8 oz. (1 cup) of **NEUTRALIZER RINSE** to 3 gallons of water. Apply liberally to floor upon first rinse. Pick up and rinse with clean water on second and final rinse.

PORTABLE EXTRACTION UNITS: Mix ½ to 1 oz. **NEUTRALIZER RINSE** per gallon of clear water in your solution tank.

TRUCK-MOUNT APPLICATION: Add 32 oz. (one quart) of **NEUTRALIZER RINSE** per 5 gallons of clear water as your stock solution.

Test the product for color fastness with diluted solution. Not for use on Terrazzo or marble floors.

SPECIFICATIONS:

Color	Clear Liquid
Odor	Floral
pH	2.0 - 3.0
Specific Gravity	0.998 – 1.018

Refer to the Safety Data Sheet (SDS) and product label for additional information including Hazard and Precautionary statements, first aid measures, and storage and handling.
