

## TECHNICAL DATA SHEET

### FL420 **FLO-AWAY CLEANER** Heavy Duty Foaming Cleaner

**DESCRIPTION:** **FLO-AWAY CLEANER** is a combination of special chemicals that remove animal protein, oils, fats, bone marrow, and blood. It is formulated to be used in meat packing, poultry preparation plants, and other food processing plants where oil and grease are factors. Film left on surfaces by soap and detergents leave dull surfaces. **FLO-AWAY CLEANER** removes the film from surfaces, rinses easily, which restores the original appearance of the surface.

**BENEFITS and FEATURES:**

- Cuts grease, oil, fats
- Removes soap scum
- Foam clings to surface
- Biodegradable
- Free rinsing.
- Excellent degreaser

**DIRECTIONS FOR USE:** Use a poly-jet foaming and spraying dispenser set at 12-1 to 24-1 dilution ratio or any type dispenser that you have available. Spray walls, floors, or other surfaces. Use of water is desirable in application and rinsing. Agitate where necessary and rinse.

**SPECIFICATIONS:**

Color .....	Colorless to light amber
Fragrance .....	Lemon
pH .....	12.3 - 13.3
Specific Gravity .....	1.063 – 1.083
Shelf Life .....	1 Year
Grease Cutting Ability .....	Excellent
Soil Penetration .....	Excellent
Volatile Organic Compound (VOC) .....	<5 g/L

**STORAGE and HANDLING:** Keep out of reach of children. Store in a cool, dry place. Avoid eye and skin contact.

Refer to the Safety Data Sheet (SDS) and product label for additional information including Hazard and Precautionary statements, first aid measures, and storage and handling.
