

TECHNICAL DATA SHEET

FL6540 DEGREASER TRUCK WASH

DESCRIPTION: **DEGREASER TRUCK WASH** is a highly concentrated, liquid alkaline detergent designed to remove grease, oil and dirt from trucks, buses, diesel engines and other motor vehicles. This product is completely water-soluble and biodegradable. **DEGREASER TRUCK WASH** works in both hot and cold water. The material is self-foaming. This product is the ideal detergent for removal of all types of soil from both painted and non-painted surfaces.

DIRECTIONS FOR USE: **DEGREASER TRUCK WASH** is easy to use, just spray, wipe or apply through all types of chemical metering equipment. **DEGREASER TRUCK WASH** can be used in any foam or high-pressure cleaning system. Dilutions can range from 3:1 to 50:1 depending on the type and amount of soil.

SPECIFICATIONS:

Color.....	Clear to Light Amber
Odor	Mild
pH (concentrate).....	12.5 - 13.5
Specific Gravity	1.041 – 1.061
Hard Water Compatibility	Excellent
Shelf Life.....	Indefinite
Grease Cutting Ability	Excellent
Soil Penetration.....	Excellent

Refer to the Safety Data Sheet (SDS) and product label for additional information including Hazard and Precautionary statements, first aid measures, and storage and handling.
