

TECHNICAL DATA SHEET

FL 9005 GLASS CLEANER CONCENTRATE

DESCRIPTION: **GLASS CLEANER CONCENTRATE** is a highly concentrated glass cleaner containing a blend of alcohol and grease cutting detergents. Its non-streaking formulation quickly removes dirt, smoke residue and traffic film with ease. One gallon makes 21 gallons of full strength heavy duty glass cleaner at a use cost of only pennies per gallon.

DIRECTIONS FOR USE: **GLASS CLEANER CONCENTRATE** can be diluted as necessary of seasonal applications. Mix up to 6 ounces per one gallon of water. Apply through a hand sprayer, using a clean lint free towel, wipe and polish glass to a sparkle. For use on windows, windshields, mirrors and chrome.

STORAGE and HANDLING: Keep out of reach of children. Store in a cool, dry place. Avoid eye contact. Refer to SDS for additional precautions or first aid measures. For institutional and commercial use only.
