### LEMON WSD Water Soluble Deodorant

#### **DESCRIPTION:**

Lemon WSD is an all purpose deodorant for use in hotels, hospitals, convalescent hospitals, fire departments, incinerators, trucks, dairies, schools and motels. This product has been formulated with both masking agents and odor counteractants to completely destroy most mal odors.

#### **BENEFITS & FEATURES:**

- Deodorizes instantly
- Eliminates the odor
- Will not stain fine linens
- More economical than aerosols
- Can be mixed with carpet cleaners and all purpose
- Leaves cleaned areas with a fresh clean scent

#### **DIRECTIONS FOR USE:**

**ADDITIVE FOR CLEANING SOLUTIONS:** Add 1 to 2 ounces to any cleaning solution to leave the area smelling fresh and clean. WSD can also be added to carpet extractors, make up tanks and other types of carpet cleaning equipment to leave a nice scent after cleaning.

**HOUSEKEEPING DEPARTMENTS:** In routine cleaning, a small amount of WSD sprayed on rugs and draperies will remove odors and leave rooms pleasantly scented. After cleaning floors, add 1 to 2 ounces of WSD to the rinse water to remove undesirable odors.

**GENERAL DEODORIZING:** Spray this fragrant solution into the atmosphere to remove obnoxious odors such as smoke, cooking odors, refuse odors and body odors to keep your premises pleasantly scented.

**TRASH AND GARBAGE STORAGE AREAS:** Use WSD undiluted to neutralize foul odors. Spray dump areas, receptacles and cans as required to control odors.

**KITCHEN:** Spray garbage receptacles periodically with WSD to eliminate foul odors. Cupboards, closets, refrigerators and storage lockers can be given periodic

spraying to keep them pleasantly scented. After spraying WSD, surfaces which come into contact with food should be thoroughly rinsed with potable water.

**BATHROOMS:** After routine cleaning of fixtures, spray WSD on toilet bowl seat, lavatory, tub or shower stall.

**OTHER USES:** Closets containing stored clothing, linens, towels, and draperies can be sprayed with WSD to keep contents pleasantly scented. Thoroughly clean the object or area, then use undiluted WSD to wipe over the surface, or cover it with a spray mist. This will give sickrooms, bathrooms, washrooms and dressing rooms a refreshing, clean odor that lingers for hours.

**CAUTION:** Keep out of reach of children. Keep from eye contact. If sprayed or splashed in eyes, rinse with water for 15 minutes and contact a physician for treatment. Contains isopropyl alcohol.

#### **STORAGE AND HANDLING:**

Keep out of reach of children. Store in a cool, dry place. Avoid eye contact. Refer to SDS for additional precautions or first aid measures. For institutional and commercial use only.

#### **SPECIFICATIONS:**

Color .....	Yellow
Odor .....	Lemon
pH .....	7.5 ± 0.5
Specific Gravity .....	0.995 ± 0.005
Stability .....	Excellent
Shelf Life .....	2 Years in closed container
Hard Water Tolerance .....	Very Good
Solubility in water .....	Complete
Volatile Organic Compound (VOC)	50 grams/liter
